

YIFEI NOF TRIP FOR WOMEN IN HEALTHCARE

ITINERARY

June 9-12th 2025

Fly into Bozeman, MT

Depart from Salt Lake City, UT

Visit Yellowstone National Park,

Big Sky, and Craters of the Moon

PROGRAM COST

Conference (16 CEU/CME): \$600

Experience: includes lodging, ground transportation, meals, national park entry, and activities

- Shared room \$900
- Double occupancy \$1400
- Private room \$1900

CONFERENCE TOPICS

Lactation considerations in preemies, abdominal pain differentials, STDs & PID in the community, cultural considerations in hospice, bloodborne pathogens and workplace exposures, wound and ostomy management, IT clinical decision making, suture workshop, managing burnout...

Relax and Recharge

The healing and revitalizing qualities of nature will help you to recharge and relieve stress.

Come away from this experience invigorated and able to become the provider you dream of being.

Learn and Engage

With educational events on a wide range of topics, earn CME or CEU credits while learning and growing. Engage in networking opportunities, both formal and informal, with like-minded professionals.

Adventure and Grow

Participate in activities that have been chosen to help you push outside your comfort zone and into your learning zone. In addition to hiking, we'll be going whitewater rafting and horseback riding in the most gorgeous locales!
